### Introduction

The primary objective of internal audit is to review, appraise and report upon the adequacy of internal control systems operating throughout the council. To achieve this SALC adopt a predominantly systems-based approach to audit.

The council's internal control system comprises the whole network of systems established within the council to provide reasonable assurance that the council's objectives will be achieved, with reference to:

- the effectiveness of operations
- the economic and efficient use of resources
- compliance with applicable policies, procedures, laws, and regulations
- the safeguarding of assets and interests from losses of all kinds, including those arising from fraud, irregularity, and corruption
- the integrity and reliability of information, accounts, and data

## Methodology

When conducting the audit, the internal auditor may:

- conduct a selective assessment of compliance with relevant procedures and controls expected to be in operation during the financial year in order to be able to complete the Annual Internal Audit Report 2025/26 of the Annual Governance and Accountability Return (AGAR)
- review the reliability and integrity of financial information and the means used to identify, measure, classify and report such information
- review the means of safeguarding assets and, as appropriate, verify the existence of such assets
- appraise the economy and efficiency with which resources are employed, identify opportunities to improve performance and recommend solutions to problems
- review the established systems to ensure compliance with those policies, procedures, laws, and regulations which could have a significant impact on operations, and determine whether the council complies
- review the operations and activities to ascertain whether results are consistent with objectives and whether they are being conducted as planned

<b>Section 1 – Financial Regulation and Standing Orders</b>		
The internal auditor will check the date the Council conducted its annual review of both Standing Orders and Financial Regulations and in particular check if these are based on NALC'S latest model which include legislative changes.		
<b>Evidence</b>		<i>Internal auditor commentary</i>
Have Standing Orders been adopted, up to date and reviewed annually?	Yes	Council's Standing Orders, as adopted at the meeting of 14 <sup>th</sup> May 2025, are based on the model published by the National Association of Local Councils (NALC) in 2018 with revisions in 2022 and 2024. <b>Recommendation: council should seek to adopt the updated Model Standing Order (England) 2025 which contain amendments to section 18 to comply with new procurement legislation and ensure consistency with the revised Model Financial Regulations.</b>
Are Financial Regulations up to date and reviewed annually?	Yes	Financial Regulations, as seen on the Council's website were reviewed at the meeting of 14 <sup>th</sup> May 2025 and are based on the NALC Model Financial Regulations published in March 2025. <i>Comment: revisions to the model Financial Regulations as outlined under NALC Advice Note – Procurement, 3 February 2026 <a href="#">link to view the advice note</a> should be incorporated at the next annual review if applicable.</i>
Has the Council properly tailored the Financial Regulations?	Yes	The Council's Financial Regulations have been tailored to the Parish Council.

<sup>1</sup> Section 151 Local Government Act 1972

<b>Section 2 – Budgetary controls</b>		
The internal auditor will seek verification that budgets are properly prepared, agreed and monitored. In particular they will look for evidence of good practice in that the key stages of the budgetary process have been followed		
<b>Evidence</b>		Internal auditor commentary
<i>Verify that budget has been properly prepared and agreed</i>	Yes	The budget for the year 2025 - 2026 was approved at the Council meeting of 13 <sup>th</sup> November 2024 and was set at £5,670 to be funded by the precept and known income. The budget for the year 2026 - 2027 was approved at the council meeting of 20 <sup>th</sup> November 2025 with evidence produced that this would be set at £5,625 again to be funded from the precept and known reserves. <i>Comment: council has evidenced within the minutes the actual budget being set alongside the reasoning for such a budget thereby ensuring transparency in the budgetary process followed by the council.</i>
<i>Verify that the precept amount has been agreed in full Council and clearly minuted</i>	Yes	The minutes of 13 <sup>th</sup> November 2024 confirmed that the precept to be levied for the year 2025 - 2026 would be set at £5,500. The minutes demonstrate that this would be result in a Council Tax Band D of £33.92 which was a 1.71% (£0.59) decrease on that set the previous year. <i>Comment: in accordance with best practice, council has recorded in the minutes the impact the precept being set would have on a Band D Dwelling in percentage terms.</i> The precept for the year 2026 - 2027 was discussed and approved at the meeting of 20 <sup>th</sup> November 2025 and set at £5,450.
<i>Regular reporting of expenditure and variances from budget</i>	Yes	Council received regular reports detailing bank balances and approval of bank reconciliations, along with reviews covering comparisons between budgeted and actual income and expenditure.

<sup>2</sup> In accordance with proper practices, the generally accepted minimum level of a Smaller Authority's General Reserve is that this should be maintained at between three (3) and twelve (12) months of Net Revenue Expenditure

		<p><i>Comment: Council has followed guidance as issued by Proper Practices which states that it is regarded as acceptable for a council's general (non-earmarked revenue) reserves to be equal to 3 to 12 months of Net Revenue Expenditure and should ensure that the level of general reserves held is in accordance with an adopted General Reserve Policy.</i></p> <p><i>Council's adopted Reserve Policy states that General Reserves should be equal to the level of the precept for the forthcoming year.</i></p> <p><i>Comment Council has ensured that the level of general reserves held is in accordance with its adopted General Reserve Policy. It has noted that there is no upper limit for Earmarked Reserves, but they should be held for genuine and intended purposes and their level subject to regular review and justification (at least annually).</i></p>
<b>Additional comments:</b>		

<p><b>Section 3 – Proper bookkeeping</b></p> <p>The internal auditor will look at the methods and processes used to manage the council's accounts and in particular that it provides clear data for reporting and monitoring purposes. <i>Is the ledger maintained and up to date?</i>	Yes	Excel spreadsheets were submitted for internal audit review, and these have been used to produce reports on a Receipts and Payments basis.
<i>Is the ledger on the correct basis in relation to the gross income/expenditure?</i>	Yes	Council's gross income and expenditure level is below the threshold of £200,000 and has been for three (3) continuous years. Council's operating under this limit may choose either to report on an income and expenditure basis or on a receipts and payments (R&P) basis. 		<i>taxable business activities where the body is VAT registered (subject to the normal rules), and exempt business activities (where the input tax incurred in relation to exempt activities is considered to be insignificant).</i>

**Additional comments:** a petty cash system is not operated by the council.

The internal auditor will seek to establish that the Council understands and can evidence good practice and internal control mechanisms in relation to bank reconciliation.

Evidence		Internal auditor commentary
<i>Is bank reconciliation regularly completed and reconciled with the cash book and cover every account?</i>	Yes	Bank reconciliations are completed on a regular basis and reconcile with the cash sheets. Overall, there is regular reporting of bank balances within the detailed financial reports submitted to full council.
<i>Do bank balances agree with bank statements?</i>	Yes	Bank balances as of 31st March 2025 agree with the year-end bank statements and at year end stood at £7,179.39 across the accounts held in the parish council's name.

The Accounting Statements were submitted in DRAFT form for the internal audit review on the AGAR Form 2.

The minutes of 14 <sup>th</sup> May 2025 demonstrate that Sections 1 and 2 and the Certificate of Exemption were reviewed, exemption claimed, and permission was given for the Chair and Clerk to sign the documents. <i>Comment: Council has ensured that there is formal evidence of the legal decision taken to claim exemption under section 9 of the Local Audit (Smaller Authorities) Regulation 2015.</i>

The Risk Register for the year under review was considered and adopted by the council at its meeting of 19<sup>th</sup> March 2026. However, the review does not identify the financial risks and controls / mitigation that should be considered by the parish council on an annual basis. <i>Is there evidence that risks are being identified and managed?</i>	Yes	<p>Council is aware that risk assessment needs to focus on the safety of the parish council's assets and in particular its money. There is evidence that overall, the parish council has taken action to identify and assess those risks and has considered what actions or decisions it needs to take during the year to manage in order to avoid financial or reputational consequences.</p> <p><i>Comment: council has in place monitoring documents which identify the risks involved with and the potential for improvements to its arrangements to protect public money. It provides the opportunity for reviews of operational as well as financial and governance reviews by members to ensure that it has mitigation measures in place to address the risks associated with the council's day to day operations.</i></p>
<i>Does the Council have appropriate and adequate insurance cover in place for employment, public liability and fidelity guarantee and has been reviewed on an annual basis?</i>	Yes	<p>Council has insurance in place under a Select for Local Council Policy with Zurich Municipal Insurance. <i>Evidence that internal controls are documented and regularly reviewed<sup>9</sup></i>	Yes	<p>Council adopted an Internal Control Statement for the year ending 31<sup>st</sup> March 2026 at the meeting of 19<sup>th</sup> March 2026. A review via control tests was carried out in November 2025 which fed into the annual review of the internal controls.</p> <p><i>Comment: As such, it is evidenced from the document seen, that the council, in accordance with Regulation 6 of the Accounts and Audit Regulations 2015, confirmed that the financial and management systems of the council were sound and adequate and internal control arrangements were efficient and effective to address the risks associated with the management of public finances.</i></p>
<i>Evidence that a review of the effectiveness of internal audit was conducted during the year, including consideration of the independence and competence of the internal auditor prior to their appointment<sup>10</sup></i>	Yes	<p>The council formally reviewed the scope and effectiveness of its internal audit arrangements within the adopted internal control statement.</p> <p><i>Comment: Council is aware that in accordance with the Accounts and Audit Regulation 2015, the parish council must review the terms of reference and effectiveness of internal audit and demonstrate that it has understood that the role of internal audit is to evaluate and report on the adequacy of the system of internal control.</i></p>

<b>Evidence</b>		Internal auditor commentary
<i>Does the Council maintain a register of material assets it owns and manage this in accordance with proper practices?<sup>11</sup></i>	Yes	The Asset Register, as seen on the council's website, reflects those items listed under insurance and within the parish council's remit for maintenance and ownership.
